

VILLAGE OF ANGELFIRE

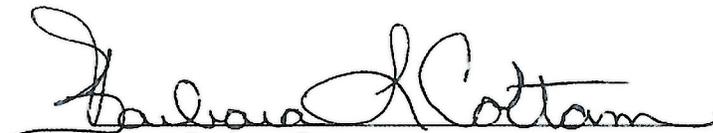

RESOLUTION NO: 2019-028

WHEREAS, The Village of Angel Fire Fire Department utilizes self-contained breathing apparatus (SCBA) as personal protective equipment to enter environments that are dangerous, toxic, and/or immediately threatening to life safety.

WHEREAS , these SCBA cylinders have a 15 year life span and are no longer able to be used after such time, and they are to be removed from service and disposed of.

NOW THEREFORE BE IT RESOLVED the Angel Fire Village Council hereby acknowledges the removal of eighteen (18) SCBA cylinders from service, and acknowledges their removal from Fire Department inventory/asset management as they have been replaced through grant funding from the State Fire Marshal Office annual fire grant program.

PASSED, APPROVED AND ADOPTED by the Angel Fire Village Council on the 11th day of June, 2019.

Mayor Barbara Cottam

Attest:

Terry Cordova, Village Clerk

Chief Murtagh,

Be advised that you may remove them from your inventory.

Thank you,

Eloy

Mr. Prada,

Per our telephone conversation, I am not sure if we need approval to remove expired SCBA bottles from inventory. However, I am seeking approval, if necessary, to remove from inventory eighteen (18) Scott 4500 psi SCBA cylinders. They have expired and have been replaced.

Thank you,

John Murtagh
