***Drop off-*** Drop off is between 8:45 and 9:00 am at the Angel Fire Community Center. Campers must be dropped off **no later than 9:30 am**. The group may have a scheduled activity at another location, and if you are late, you may miss out on the day’s activities. **There will be no refunds as your registration may have taken the spot of another potential camper.**

***Pick-up-*** Pick up is between 3:30 and 4:00 pm at the Angel Fire Community Center. If you are late picking up your child, you will be charged at rate of \$10.00 for every 15 minutes that you are late - due at the time you pick up your child (unless arrangements were made ahead of time). Counselors are required to stay until all children are picked up, therefore, we will need to contact the local police if parent/guardian do not arrive by 6:30 pm, and we have not heard from the parents.

**Visitors Policy-** We highly encourage visitors to wait until camp is over to visit with campers. Their name must be on the parent’s check-in list. However, you may visit the Community Center anytime during

business hours.

### **Pictures Policy-**

When your child attends camp, staff sometimes takes pictures of the kids and activities they are doing. These pictures may be used for marketing the camp, on the Village Website, Social Media sites, flyers and brochures.

### **Health and Emergency Policies and Procedures**

#### **Injured Children**

Our camp Supervisors are trained in First Aid and CPR. If your child becomes ill or injured during camp hours, you will be asked to come pick them up. Injuries will be reported immediately.

If at any time throughout the summer, your child develops a medical condition, please notify us.

**In any event of illness, injury or accident, parents will be contacted.**

#### **Sick Children Rules and Regulations**

-Camp policy requires all children who have a fever, were just placed on antibiotics, or have diarrhea or vomiting, must not attend camp for 24 hours.

-Children who come to the camp sick will be sent home with no refunds available.

\*\*If your child does become sick and you are preregistered, please let us know as soon as possible and the circumstances will be reviewed, and a decision made in regard to refunds.

#### **Medications**

We cannot administer any medications to children, except sunscreen. Arrangements must be made in advance if your child must take a medication during the day.

\*\*Sunscreen is considered a medication. Please mark "yes" on the camper Health Registration Form for counselors to apply your child's sunscreen.

#### **Inclement Weather Policy and procedure**

In the event of inclement or excessively hot weather, we may cancel outdoor activities. Any lightening, wind gusts or temperatures above 90 degrees may qualify for the canceling of outdoor activities. If the

weather becomes inclement while we are off site, we will go to the nearest shelter and return to the Community Center.

### **Discipline Policies and Procedure**

Discipline is the support, guidance and encouragement that we use to influence children as they learn and grow. Our staff is trained to handle situations that may arise at camp. In order to provide all of our campers with a safe, supervised environment, we must adhere to certain guidelines and expectations for appropriate behavior. The framework for these guidelines will foster responsibility, self-discipline, growth and judgment with our campers. Behavior issues that persist will be handled through a system of communication that includes children, their parents or guardians and a supervising staff member. We encourage parents to communicate with counselors as often as possible regarding concerns, to ask questions or simply inquire about their child's day.

If a child fails to adhere to the safety measures put into place at the camp, the camp staff may have to intervene to ensure the safety of all. This will be done in a safe, effective manner, deem fit by the camp staff, based on the situation. It may be required that a parent come and pick up their child to ensure the safety of the group. The child may return to camp once the situation has been discussed with a supervising staff member, parent and child.
