 - B. Enchanted Circle Trail proposal and assessment
Brian Smith reported that all 25 trails in the Angel Fire area have been assessed and the information placed on the Trust for Public Land website. The Smiths conducted most of the trail assessments with the help of the Masons.
- VII. New Business
 - A. Disc Golf donation-where to put it
The Committee agreed there were two options regarding the location of the Disc Golf course. The first is on the AAFPO greenbelt following along Bobcat Trail. The second is at Allen Fields. Brian Smith agreed to discuss the use of the greenbelt for the disc golf course to the AAFPO board and get back to the Committee regarding the results. Brent Dunn said he would be willing to speak to AAFPO about the course.

IX. Other Business

Brian Smith discussed how we could access the Forest Service land from the greenbelt through the Woop-de-doo trail. We would need a parking area at the end of Armijo Drive, preferably on the Girl Scout land. We would then build a switchback trail to the Forest Service property. The area would need to be fenced to protect the Girl Scout property. Michael Dean said he discussed with the Village an option to do this in exchange for water lines. Tracy Orr said she would investigate this with the supervisor of the water department.
